As part of your pending legal case before the Court, you have been asked to attend an interview with a psychologist. You will undergo a psychological evaluation and receive a diagnostic letter, which will convey to the Court your background and the impact your arrest and pending charge have had on you.

Please call Advantage Psychological Services at the number above to schedule your diagnostic appointment. You will meet with Dr. Lexi Welanetz-Bursin, director of Advantage Psychological Services, licensed psychologist and Qualified Medical Examiner. Clinically, she specializes in the treatment of addiction, eating disorders, trauma, relationships, mood disorders and chronic mental illness.

Two forms must be read, completed, and signed prior to your evaluation, which can be found on-line at www.advantagepsych.com. On the website, go to "Forms" to complete the "DUI Consent" and "DUI Application" forms. Download, print, complete and bring these forms with you to your scheduled evaluation.

The office website also provides a map and directions to the Center, located in the City National Bank building. Metered parking is available on the street, but please note street signs for parking restrictions. There is also parking in the building available. Please note that Advantage Psychological Services does not validate for paid parking.

During your interview, you will be asked to provide personal information, as well as the facts relating to your arrest. At the time of the evaluation, a payment for services in full is due in the amount of \$450.00 and can be remitted by cash or check. This fee includes your interview and our preparation of the forthcoming diagnostic report. Please arrive on time for your appointment, which will last approximately sixty minutes. The full time is needed for your assessment. Any rescheduling of a standard appointment requires 24 hours notice or you will be assessed a \$75 late cancellation fee.

Thank you!
